If you are within 45 days window and you don't yet have orders you can come in and schedule your Pre Final Inspection without them. This is very important to you, because not only will it allow you opportune time to schedule the appointments at your convenience, but you will also find out far enough in advance what your actual clearance responsibilities will be so you will not be caught by any surprises at the last minute. You will have the necessary lead-time to properly prepare your assigned unit for the final clearance appointment thus alleviating unnecessary stress for you and your family. Remember summer is the peak season for military moves. We will accept a letter in lieu of orders to schedule your appointments. Contact Ms Buck at 6-3477. (30CES/CEH)
